## SILVER'S WATERLOO.

Silver met with a crushing defeat in the House yesterday. It was slaughtered at every point.

Bland's first amendment to the Wilson repeal bill for free coinage at the ratio of 16 to 1 was defeated by 126 to 225. The second, with the ratio of 17 to 1 was defeated by 100 to 240; the third with the ratio of 18 to 1 was beaten by 102 to 237; the fourth, 19 to 1, was rejected by 105 to 237; the fifth, 20 to 1, was beaten by 119 to 222. Next came the amendment to re-enact the Bland-Allison Act, and this was defeated by 136 to 213, and this exhausted the amendments, when the Wilson repeal bill passed by a vote of 239 to 110, thus placing silver where it was, so far as the House is concerned, after its demonization in 1873.

How is it that men, who were a few years ago red hot silver men came into line under the crack of the Administration whip.

These men are purchased by the gold of the British bond-holder, on one side, or the promise of Administration pap on the other.

Giving patronage for votes is corruption and if the President has done this he should be impeached.

He has violated the Geary act, and the silver purchase law although he has solemnly sworn to uphold the law and the Constitution.

He sees men falling in line for his gold programme and they know that they will be rewarded by controlling the political pasture in their respective States.

Thus it is that the Goddess of Liberty, which has been farmed out to the highest bidder for years, has now fallen so low that she has become the common strumpet of Wall Street.

The defeat of silver by so decisive a majority will in good time work the destruction of both the old parties.

Both parties have repudiated their double standard platforms and the Populist party has been furnished by this vote with unlimited ammunition for the next Presidential campaign.

Home corruption and foreign influence may triumph now but the day of reckoning will come in 96.

## THE MID-WINTER FAIR.

The Mid-Winter Fair in California is now certain to be a success and the people of the State have Editor De Young of the Chronicle to thank for it.

He has inaugurated the scheme with remarkable perseverance and energy and stood in the breach when a thousand faint-hearted men were holding back. He finally managed to infuse some vim and "get there" qualities into the balance of the community and now the people are getting in line and becoming enthusiastic.

The very wealthy men are not doing very much, but it is not to be expected that they will.

There are a number of old misers in San Francisco who never loosen their clutch on a dollar.

Nevada ought to be well represented at this Fair.

We ought to feel neighborly with California and do all we can to not only help the Fair, but ourselves, with the very best exhibit we can possibly make.

Every journal in the sage brush should unite in getting the people filled with the idea that the best exhibit the State ever made must be made on that occasion. Nevada should if possible have a building on the grounds.

Show as a man who sincerely believes the present hard times are due to the election of a Democratic Administration, says the Times of Idaho Falls and we will bet you an apple that his forehead slants back at an angle of forty-five degrees and his chin thirty-five.—Logan Journal.

A man who would deny such a perfectly plain fact as that the disastrously changed conditions of the country are in large measure due to just that cause, probably has neither forehead nor chin; certainly such a man would have no use for either.—Salt Lake Tribune.

## P A WAGNER,

DEALER IN GENERAL MERCHANDISE.

Will sell goods so cheap, that you will be amazed at your own stupidity in having patronized high-priced establishments. These are grinding times and it behooves you to place your money where it will do the most good.

We are selling best two and four point BARBED WIRE at 4 1-4 cents per pound. The oldest inhabitant will tell you that this is remarkably cheap, unparalleled in the history of Carson.

We have reduced the prices of everything we carry in stock; Groceries, Provisions, Liquors, Hardware, Tinware, Crockery, Paints, Oils, Wall Paper, etc., can be purchased at this Emporium at a less percentage of profit than elsewhere. No necessity for sending your money to California, thinking you can save something for we will be more than pleased to duplicate your bills.

Give us a trial order and make your comparisons with purchases at home or abroad and be convinced. Orders from the country, as well as Carson and its environs will receive our prompt attention.
